

4 Lakes Security & Neighborhood Watch

Working together to make our community safe

Neighborhood Watch Overview

A community effort to deter crime by observing, reporting, and communicating

What you can do:

1. Open your eyes and notice - crimes, suspicious people, and vehicles.
2. Report! Call 911 right away! If you don't do it, nothing good will happen and something bad might!
3. Contact your Neighborhood watch captain (Me) so that I can keep record and partner with Janelle to communicate with the entire community.
